Students of the Week:

We, as parents, teachers, and students have all really pulled together and made this week a huge success for our children!

Thank you for your continued support!!!

Classroom/School News:

➤ Thank you to Mrs. Reynolds and our parents for pulling together and creating the most wonderful, relaxing, and fun Christmas party for our children. You are an amazing group of parents and I love the passion, love, and support you bring to our school family.

➤ Our trip to ACTS was a huge success. After our visit, there were so many positive conversations among our youngsters about the importance of helping others, teamwork, and a love for each other. We would like to continue working with ACTS in a monthly drive for their greatest needs. In January, we will begin an underwear drive. They are in need of all sizes and genders, adults and children. Any donations are greatly appreciated.

➤ I hope you all enjoy the time with family over the next couple of weeks and have a very Merry Christmas. Some of the children were experiencing some anxiety about the holidays and change in routine. I assured them that I am still available. If they would like to talk, please just send me a message.

➤ To answer as many questions as I can at one time, it was announced that Dr. Newman will be leaving Mead Hall in January. This was not a decision that was made by her. Dr. Frank Sawyer assured us he would address our parental concerns if you have any.
