Good Morning Parents,

I am hoping that you will be able to take these 3 day off of school work but in case you cannot, I am still here. I will not be holding our 9:00 Zoom meeting today but if you need me, please let me know. It is a perfect day to get some work caught up if needed. However, I hope that isn't the case. You deserve some down time. If you need it, take it. We will have a little time built in at the end of the school year to catch up a little. However, if you are like me and know it needs to be done and that alone is causing stress, I am doing a breakdown of what has been assigned and what should have been turned in as our "Assignments" on the agenda for today. All of these items are graded and should already be turned in.

I hope and pray that our school related stress is down a ton! If not, please reach out to me so we can talk. I would like to help you figure out something that may help reduce stress on that front.

You continue doing well with submitting the assignments and labeling them with names and assignments. This is extremely helpful. Please give me 24 hours (during the week) to grade any assignments submitted. I continue to feel completely blessed having you all as part of my team and I am eternally grateful to you for your patience and understanding in trying to find the right balance for you, your family, and the school. I am just so thankful for you all and all that you continue to do! You truly are wonderful. Stay strong and keep praying...

- "Info"mercial Book Report - I would like for the children to choose a book that they love. It does not have to be on their reading level. They will be creating a "book report" to get others to want to read it. The rubric was sent out on Tuesday, March 24th so that you will know what I will be looking for while they are presenting their book. Please let me know when you are ready. It is due on Monday, April 13th.
- Unit 5 - Citizenship - The children will be creating something to present to the class. It must be a concept or a national symbol from Unit 5 in Reading. You can write a poem, story, play, or song. You can create a video or a concept board. You can make a book or a replica. The opportunities are endless. If you have questions about this, please let me know. This is due on Monday, April 13th.

Good Morning and Happy Friday!!! Keep hanging in there...you are doing AMAZING! I hope you have been getting your work done and with quality. If not, your weekend may be spent catching up on these assignments. If you need help, please let me know so that we can get you caught up.
