

Monday - April 27, 2020

Parents,

Happy Monday! I hope you had a fabulous weekend. Please sign your child up for individual conferences. I sent the link out on Friday and it is posted on my website under extended learning. I would like to ask that you sign up before 7:30 a.m. if you are going to sign up for a slot on that day. If you sign up later than that time, please text me to let me know since I check my emails and schedule my day out prior to the morning Zoom meeting. Remember, you will need a code (Hawley) to sign up.

I have deleted the assignments that are past due. This is only wasting paper and ink for you. I communicate weekly on what I still need from you. I send this out on Thursdays so that you know on Friday morning what I have and don't have. The next two weeks of lessons may seem a little odd, just please trust me and we will get through this together. I told you I would try to make this as painless as possible. Basically, there are four reading assessments that need to be done in the next two weeks. I will be doing the majority of one with the children on Zoom so please look at the agenda for the day, prior to our meeting. I usually have them posted at least 24 hours in advance on the website if you want it earlier. Hopefully, by doing this, the week of May 11th -15th all that will need to be done is any incomplete work and for those of you that worked through Spring Break, you will have yours at the end, like promised.

This Friday, the kids would like to do Fun Friday. I will continue with the celebrations as I usually do but the plan is to have a scavenger hunt. So, if you see the children running around and returning to the computer, please do not be alarmed. It is a planned activity.

I continue to thank you and I am sure by now it seems redundant but I am truly grateful for all of you and what you are doing on your end. This is a lot and we are making it work! I continue to feel completely blessed having you all as part of my team. You truly are wonderful. Stay strong and keep praying...

Students:

Good Morning and Happy Monday!!! I missed you all this weekend. I hope you are prepared for a busy week. I think our idea of a Scavenger Hunt on Friday will be fun.

Thank you for giving me your best during our time on Zoom. I always look forward to our mini-lessons and seeing you but I need you to continue doing your best, always. Zoom is a privilege, not a right. Please do not put me in the position to make a choice of removing you from the lesson. Also, quality work...the writing that I saw last week was MUCH better than I have been seeing.

I want to continue to honor your time and freedom. Redoing work that you could have done well with the first time is just wasting your free time. For those that continue to provide quality work, thank you for working so hard and giving me your best. We've got this!!! Good luck today and my prayers are with you all!!!

Love,
Mrs. Hawley
