

# Monday - May 4, 2020

Parents,

Happy Monday!!! I hope you had a fabulous weekend. This should be the last week of academics unless you have other assignments to submit. I am making the Unit 6, Lesson 6 Spelling Test optional since those words are review words from this unit. However, it may be a great way to bring your spelling grade up a few points. Just something for you to consider.

Please sign your child up for individual conferences this week. I have a few informal assessments that I need to do with them. I am asking that you sign up before 7:30 a.m. if you are going to sign up for a slot on that day. If you sign up later than that time, please text me to let me know since I check my emails and schedule my day prior to the morning Zoom meeting.

For the Unit 6 Assessment that I have been working on with the children during our meetings, feel free to submit them on the day we do them if that is easier for you. I have a running record of the assessment so that I can grade each section separately and then add them at the end.

Be sure to check the weekly email on Thursday for your child to be sure that I have everything. If not, items will need to be submitted no later than Thursday, May 14th so that I will have time to get the items graded, input, and averaged before my deadline on Friday.

Hopefully, if all goes well, you will all have next week free of work since we worked through Spring Break. I cannot thank you all enough for all the hard work you have done over the past several weeks. We cannot celebrate yet but we are almost there... This is a lot and we are making it work! I continue to feel completely blessed having you all as part of my team. You truly are wonderful. Stay strong and keep praying...

**Students:**

Good Morning and Happy Monday!!! I missed you all this weekend. I hope you are prepared for a busy week. We need to talk about Friday. What would you like to do this Friday on Zoom?

Thank you for giving me your best during our time on Zoom. I always look forward to our mini-lessons and seeing you but I need you to continue doing your best, always. Zoom is a privilege, not a right. Please do not put me in the position to make a choice of removing you from the lesson. Also, quality work...the writing that I saw last week was MUCH better than I have been seeing.

I want to continue to honor your time and freedom. Redoing work that you could have done well with the first time is just wasting your free time. For those that continue to provide quality work, thank you for working so hard and giving me your best. We’ve got this!!! Good luck today and my prayers are with you all!!!

Love,  
Mrs. Hawley
